What Is PREP?

- PREP is Orgill's price update program
 - Runs every other week on Saturday
 - Alerts you to any items you have purchased from Orgill in the last 24 months that have had a cost or retail change
 - These changes can be the result of vendor driven cost changes (*ie tariffs*) or our market research
- PREP uses this same purchase history basket to generate reports that can help you take advantage of promotional offers, buy smarter and help you better manage your inventory
- A *"dummy" purchase history can be loaded for new customers who do not have 24 months of purchases*
 - *SKU or UPC listing needs to be provided by the customer*

Why PREP?

- A standard catalog won't reflect your custom price settings
- Updating only from invoice will result in:
 - Faster moving items will receive updated retails before other items within the assortment
 - Items will be replenished at the higher cost prior to the retail being updated, jeopardizing margin dollars

Door Busters, Price Change Preview & Tariff Effects

As international trade dynamics evolve, Orgill remains committed to transparency and proactive support for your business. This week's update provides a quick snapshot of promotional opportunities and expected pricing shifts.

Door Buster Booking & Tariff Impacts

Upcoming Door Buster promotions offer great savings and will be open for booking tomorrow (4/22). Some pricing and product availability may be affected by tariff-related changes. For the most accurate information, read the Price Change Preview report (see link below).

PREP Preview for April 26

The upcoming PREP cycle will reflect tariff-related adjustments from key vendors. Store-specific alerts will be available with more detail. This report highlights key vendors with expected price changes in the upcoming PREP cycle. Use the link below to access this week's Price Change Preview. You can expect to receive this update every two weeks, the Monday prior to each Saturday PREP release.

ORGILL

Registering for PREP

- PREP fee is \$50 per month
 - \$70 per month if Orgill prints and ships labels
 - Additional locations receive \$15 discount
- Subscribe or unsubscribe at any item
- Complete the PREP Registration form and email it to jbacon@orgill.com or luke.houston@orgill.com
- Contact your Point of Sale Provider if you want to receive your price updates directly to your POS system
- If you elect for Orgill to print and ship your labels with PREP, you have the option to no longer receive them with your delivery truck
- Your reports will be available after the next run following registration

ORGILL

Profitable Retail Enhancement Packages Retailer/Orgill Agreement

There are 2 PREP Packages Available to Our Retailers:

Orgill's PREP Program provides registrants with bi-weekly cost and retail updates based on their 24 month purchase history with Orgill. Retailers have the option of accessing these updates from Orgill.com or having them transmitted electronically to their POS system. The PREP program also offers dealers reporting tools to run better and more efficient operations.

Customers have the option of printing their updated bin labels from their store or having Orgill print and ship them to their store for an additional \$20 per month (PREP with Labels). Please choose which option best suits your store's needs.

☐ PREP Option 1 - My Store Will Print the Updated Labels = \$45 per month

☐ PREP Option 2 - Please have Orgill Print and Ship the Updated Labels = \$65 per month

If Option 1, the following section can be skipped.

The bi-weekly PREP stickers you receive will mimic the settings of the current weekly truck stickers you receive. You have the option of continuing to receive the updates with your Orgill delivery and also with PREP, or only receiving the updates every other week through PREP. Please choose which option best suits your store's needs.

☐ I want to receive my updated stickers with my bi weekly PREP updates and on my Orgill truck delivery.

☐ I **only** want to receive stickers/bin tags with the bi-weekly price updates.

Agreement

It is agreed that Orgill will, through its personnel, implement the Profitable Retail Enhancement Packages (PREP) program on behalf of the Retailers stated below. Orgill makes no warranty or guarantees, implied or explicit, concerning the future performance of the Retailer. The Profitable Retail Enhancement Packages program contains information obtained from the retailer's purchase records. This information can be used to assist a retailer in impacting the store's profitability.
